STAR Program Changes - NEW!

As a result of recent state law changes, some homeowners will receive a STAR check directly from New York State instead of receiving a School Tax Exemption. The amount of your benefit will be the same regardless of how you receive it. STAR exemptions apply only to school district taxes.

Beginning with the 2016-2017 school year, new STAR applicants will need to register with the New York State Tax Department to receive a STAR check. Registration will begin soon. Please [click here](#) for the New York State Department of Taxation and Finance website.

Current STAR Exemption Recipients

Current Basic and Enhanced STAR exemption recipients will keep their exemption as long as they continue to own their current home.

Current Enhanced STAR exemption recipients who are not enrolled in the Income Verification Program must continue to file a renewal application with the Nassau County Department of Assessment each year.
